- (e) Leave of absence granted on the request of an employee shall be for the particular purpose stated in the employee's request for leave. The District shall have the right to determine that leave is used for the purpose stated in the employee's request for leave. If not being used for the stated purpose, the District shall revoke the leave and may take disciplinary action against the employee.
- (f) An employee being on leave for part or all of two consecutive school/fiscal years must return to work for a full school/fiscal year before being awarded another leave of absence, unless the employee is eligible for Military, FMLA or Public Office leave in the third year.
- (g) An employee on leave of absence may not be selected for another full-time position within the District.

Sick Leave will be charged in quarter-hour increments for the amount of time absent from work.

- (b) Full-time employees shall be credited with four (4) days of Sick Leave at the end of the first month of work in the Fiscal Year, and shall thereafter be credited with one (1) day of Sick Leave at the end of each month of employment during which time the employee is in a compensated status for at least ten (10) work days up to the statutory maximum that may be earned in a Fiscal Year.

The physician's statement must also specify the number of days before the leave recipient would be expected to return to duty.

of written notification of the member's intent to withdraw. The member shall not be eligible to withdraw sick leave already contributed to the Bank.

- 5) Employees returning from medical leave, if otherwise eligible, would be eligible to enroll, but would not be entitled to use the Bank until after they had worked thirty (30) consecutive duty days.

(b) **Enrollment:**

- 1) The Bank shall have one enrollment period per year to coincide with Annual Benefit Enrollment each Fall, making the member's effective date the following January 1st.
- 2) A member enrolling during the enrollment period may begin receiving benefits from the Bank commencing the following February 1st.

(c) **Replenishment Contributions:**

Each participating member will have a thirty (30) day time limit from District email notification to authorize the contribution of one (1) day of sick leave to replenish or the member will be withdrawn from the Bank.
- 2) If a member is unable to contribute the day, that member will be ineligible to apply for benefits of the Bank until he has accrued two (2) sick leave days, at which time the assessment of one (1) day will be automatic. This period of ineligibility will not apply to any member currently receiving benefits from the Bank.
- 3) If the Bank cannot be replenished, it will be terminated when the total number of hours have been exhausted.

(d) **Administration and Governance:**

- 1) The Risk Management Department along with the appointed Committee members will determine the validity of claims based on a licensed medical doctor, physician's assistant (PA), or nurse practitioner's (ARNP) completion of the application. - 1) All accumulated sick leave must first be expended.
- 2) The request for days from the Bank must be made by submitting the Sick Leave Bank application to the Risk Management Department. The application must include a signed statement (RMD 05) from a licensed medical doctor, physician’s assistant (PA), or nurse practitioner (ARNP). The applicant will bear the cost of obtaining the medical statement. Approval requires that the Risk Management Department will verify all medical statements from the licensed medical professional confirming a life-threatening condition.
- 3) A participating member shall not be eligible for the use of sick leave from the Bank if the member is on workers’ compensation for the same condition.
- 4) The illness or injury creating the need for a draw on the Bank must be continuous in nature and extend ten (10) days beyond the exhaustion of sick leave. If a draw on the Bank is approved, the draw will be retroactive to the date the accrued sick leave was exhausted.
- 5) If an employee does not use the number of days authorized, unused hours shall be returned to the Bank.
- 6) Employees must make a request for days from the Sick Leave Bank no later than 30 days after they have exhausted all of their personal sick leave time unless prevented from doing so because of their medical condition.
- 7) Intermittent use of previously approved Bank hours may be permitted under certain circumstances i.e., chemotherapy treatments that require frequent routine doctor visits.

(f) **Benefits:**

After approval of the application by the Committee, a member may draw from the Bank up to a maximum of sixty (60) paid sick leave days for the qualified reason, subject to the following provisions:

- 1) Drawing of sick leave days is based upon the availability of sick hours in the Bank.
- 2) The Sick Leave Bank benefit is only for the enrolled employee’s personal illness, accident or injury. Requests for illness/accidents/injury of family members and co-workers are not eligible.
- 3) The number of hours approved per day will be based on the member’s work schedule at the time of application.

- 4) Upon approval of Disability Retirement, Bank benefits will cease on the last day of the month approved for the Disability Retirement.
- 5) Unused approved hours will return to the Bank upon the retirement, resignation or death of the member.
